CHRISTCHURCH CITY FORESTRY EMPOWERING BILL

Proposed Amendments

Hon. Mr McCREADY, in Committee, to move the following amendments:

Clause 2 (c): To omit this paragraph, and substitute the following paragraph:

- (c) To cut down, remove, recover, and use in its own building activities, any trees or timber on or from any plantation vested in the Corporation on the passing of this Act and on or from any land acquired by the Corporation pursuant to this Act, and to sell by wholesale any surplus trees:

Clause 2 (d): To omit the words "sell such products by private sale, tender, or auction", and substitute the words "use such products in its own building activities and sell by wholesale any surplus of those products:"

Clause 3: To omit this clause, and substitute the following clause:

3. Power to carry on related industries—(1) The Council may establish and carry on any operations or industries related to the extraction, removal, conversion, or distribution of timber and other forest produce for use in its own building activities, and may construct, purchase, or hire buildings, plant, and machinery for those purposes.

(2) The Council may sell by wholesale any surplus post or log timber, or firewood, derived from any such operation or industry.
