

SUPPLEMENTARY ORDER PAPER.

HOUSE OF REPRESENTATIVES.

Tuesday, the 15th Day of October, 1895.

CUSTOMS AND EXCISE DUTIES BILL.

AMENDMENTS proposed by His Excellency the Governor, in Message No. 26, 14th October, 1895,—

SCHEDULE A.

CLASS I. : In the item "vinegar," and the note thereto, substitute "6·5" in lieu of "5" per cent.

Class XII., page 8: After "gasometers and other apparatus for producing gas"; add "also gas-meters."

Class XII. : Insert at end of class as new item, "Steam-engines and parts thereof, including the boiler or boilers therefor, imported specially for mining and dairying purposes, £5 per cent. *ad valorem*." (This duty to come into force on the 27th September, 1895.)

SCHEDULE B.

CLASS V., page 10: After "concentrated essences," omit "or essences in liquid form."

Class XII., page 12: After "separators and coolers," insert "for dairying purposes."

Class XII., page 12: After "machine-saws," insert the following new item: "Machinery for gold-saving purposes and processes." (This exemption to take effect on and after the 27th September, 1895.)

CORRUPT PRACTICES PREVENTION ACT AMENDMENT BILL.

AMENDMENT proposed by His Excellency the Governor, in Message No. 27, 14th October, 1895,—

In clause 10, line 4, next after "pounds" insert "and, if he is an elected candidate, to a further penalty of not exceeding twenty pounds."
