DENTAL BILL

Hon. Mr McKAY, in Committee, to move the following amendment:

*Clause 11, subclause (1):* To omit from line 25 on page 8 the words "grave impropriety".

---

EXPLANATORY NOTE

The Social Services Committee amended the Bill by striking out the words "grave impropriety" where they appear in *subclause (1) of clause 35* and in *subclauses (1) and (7) of clause 39*. These words appear also in *subclause (1) of clause 11*, and should be omitted from that clause as they cover no cases not covered by the expressions "professional misconduct" and "infamous conduct in a professional respect". Their inclusion tends to confuse the intention. The above amendment provides for the omission of the words "grave impropriety" from *clause 11*.
