FOREST AND RURAL FIRES

Proposed Amendments

Hon. V. S. YOUNG, in Committee, to move the following amendments:

Clause 23: To omit the words "a State forest" in lines 18 and 32 on page 27, and substitute the words "any other State areas".

To omit the word "forest" in lines 19 and 33 on page 27, and substitute the word "area".

Clause 45: To omit subclause (2A) on page 45, and substitute the following clause:

(2A) In no case shall land formally retired from pastoral use under a Soil and Water Conservation Plan, and not used for production forestry, be liable for any such levy.

Clause 46: To omit subclause (2A) on page 46, and substitute the following clause:

(2A) In no case shall land formally retired from pastoral use under a Soil and Water Conservation Plan, and not used for production forestry, be liable for any such levy.

EXPLANATORY NOTE

Clause 23: These amendments correct drafting errors. The correct references should have been to State areas, not State forests. State areas are not wholly comprised of State forests.

Clauses 45 and 46: These identical amendments make it clear that only land formally retired from pastoral use under a Soil and Water Conservation Plan, and not used for production forestry, is exempt from levies.
