*Proposed amendment*

Hon Mark Burton, in Committee, to move the following amendment:

To omit *clause 2* (lines 6 and 7 on page 1), and substitute the following clause:

**2 Commencement**

This Act comes into force on the day after the date on which it receives the Royal assent.

**Explanatory note**

This Supplementary Order Paper replaces *clause 2* of the Gaming and Lotteries Amendment Bill. Since time has overtaken the original commencement in the Bill, the SOP provides that the Bill will come into force on the day after the date of Royal assent.
