LOCAL GOVERNMENT COMMISSION BILL

*Further Proposed Amendments*

Hon. Mr SEATH, in Committee, to move the following amendments:

*Clause 25, subclause (3):* To omit the word "regional", in line 36, and substitute the word "area".

*Clause 28, subclause (2):* To add the following proviso:

Provided that the Commission may in any particular case decide not to publish an explanatory statement if it considers it unnecessary in the circumstances.

*Clause 29, subclause (4):* To omit the words "sections 9 and 10", and substitute the words "sections 9, 10, and 10A".

EXPLANATORY NOTE

*Clause 25 (3):* This is a verbal amendment only, as the schemes referred to in the subclause are called area schemes and not regional schemes.

*Clause 28 (2):* This amendment adds the same proviso as is proposed to be added to *clause 25 (3)* relating to provisional local schemes. It will give to the Commission a discretion not to publish an explanatory memorandum in respect of a particular final local scheme if it considers it unnecessary in the circumstances.

*Clause 29 (4):* This amendment is consequential on the proposed new *clause 10A* (relating to the admissibility of evidence before the Commission), and will apply the same provisions where a proposal for a local scheme is being investigated by a committee.
