### HOUSE OF REPRESENTATIVES.

Tuesday, the 12th Day of September, 1905.

#### LAND TENURE AND SETTLEMENT.

Mr. LAURENSEN, in Committee on the Rt. Hon. R. J. Seddon's resolutions, to move the addition of the following paragraph :—

That, in view of the steady growth of large estates which are already blocking settlement, preventing farmers and others from taking up land, and crowding people into the towns, this House is of opinion that the time has now arrived when another step should be taken in the land policy of the late John Ballance by increasing the progressive land-tax.
