MATAURA BOROUGH COUNCIL EMPOWERING BILL

*Proposed Amendment*

Hon. Mr TALBOYS, in Committee, to move the following amendment:

*Clause 3:* To add the following subclause:

(3) The powers conferred by subsection (1) of this section shall extend to the provision, furnishing, and equipping of more than one such residence or surgery, whether together or separately.

---

EXPLANATORY NOTE

The proposed amendment will enable the Mataura Borough Council to provide, furnish, and equip more than one medical practitioner's residence and more than one medical practitioner's surgery, whether together or separately, under the powers conferred by *subclause (1) of clause 3* of the Bill. This subclause and the Preamble to the Bill are expressed in the singular and without the proposed amendment that subclause would be unlikely to be construed as including the plural.
