Wednesday, the 5th Day of August, 1903.

### MEDICAL PRACTITIONERS REGISTRATION BILL.

Mr. SIDEY, in Committee, to move the following new clause :—

Notwithstanding anything hereinbefore contained, any person who has left New Zealand and is, prior to the passing of this Act, registered as a medical student on the books of any reputable foreign university may within five years be registered as a medical practitioner under the principal Act if he shall comply with the law as it existed in New Zealand prior to the passing of this Act.
