NOXIOUS PLANTS

Proposed Amendment

HON. Mr MACINTYRE, in Committee, to move the following amendment:

Clause 4 (1): To omit, from the definition of the term "local authority" on page 5 at line 20, the words "Regional Council, United Council,".

EXPLANATORY NOTE

The amendment amends the definition of the term "local authority" in the Bill. If the words above were not omitted, the effect of the existing definition on *clause 29* of the Bill would be to make each Regional Council and United Council a District Noxious Plants Authority as well as each of their constituent local authorities.
