### Explanatory note

This Supplementary Order Paper makes a number of drafting changes that clarify, or are consequential on, amendments made by the Committee of the whole House to Parts 1 to 4 of the Bill.

The 1 substantive change proposed by the Supplementary Order Paper is the amendment to *clause 15(2B)* (as inserted by the Committee). The effect of that change is to alter the deadline by which changes to the areas and constituencies of DHBs have to be made in election years from 28 March to 30 April.
