*Proposed Amendment*

Hon. W. ROB STOREY, in Committee, to move the following amendment:

*Clause 9:* To omit this clause, and substitute the following clause:

**9. Mount Aspiring National Park**—Whereas the land to which this section relates is included in the Mount Aspiring National Park: And whereas it is desired to exclude the land from the Park to provide for it to be dealt with under the Land Act 1948: And whereas the land is presently grazed and is not widely used for recreation purposes: And whereas section 11 (1) of the National Parks Act 1980 prohibits the exclusion of land from a national park, except by Act of Parliament: Be it therefore enacted as follows:

(1) The land to which this section relates is hereby excluded from the Mount Aspiring National Park.

(2) The land to which this section relates is hereby declared to be Crown land subject to the Land Act 1948.

(3) This section relates to all that piece of land in the Queenstown Lakes District, Otago Land District, comprising 11.7200 hectares, more or less, being Parts Blocks I and XII and Part Reserve A, Block XII, Dart Survey District, and being part of the land comprised and described in the *Gazette*, 1964 at page 2305 and in the *Gazette*, 1971 at page 1675 (shown marked "A" on S.O. EXPLANATORY NOTE

This supplementary Order Paper substitutes a new *clause 9* in the Reserves and Other Lands Disposal Bill. The amendment removes from the effect of the clause the areas described in paragraphs (b) and (c) on page 10 of the Bill. Those areas will remain in the Mount Aspiring National Park. The remaining area (which is described in *subclause (3)* of the new clause) will be excluded from the Park but will remain Crown land.
