EXPLANATORY NOTE

Local Elections and Polls

Clause 55: This amendment provides that the amendments made by this clause are not to apply to any election or poll held after the passing of the Bill if the roll used for the election or poll closes on or before 31 March 1975. The existing provisions will apply to that election or poll.

Medical and Dental Auxiliaries

Clause 123 amends section 3 of the Medical and Dental Auxiliaries Act 1966 to enable the provisions of that Act to be applied in relation to the occupation of medical radiographer.

Clause 124 amends section 32 of the principal Act. The expression "in connection with his business", as used at present in subsection (1) of that section, is not quite appropriate to occupations normally carried on in the employment of public authorities, such as medical technology and medical radiography. The amendment inserts the words "or work" after the word "business" to remedy this.

Industrial Relations

Clause 126 provides for payment of fees and travelling expenses to the Chairman of a compulsory conference called by the Minister of Labour under section 120 of the Industrial Relations Act 1973 and of travelling expenses to the parties or their representatives attending such a compulsory conference or a conference called by a conciliator under section 122 of that Act, and to persons attending any such conference under section 120 (3) or section 122 (3).
