SALE OF LIQUOR AMENDMENT BILL

Proposed Amendment

Hon. Mr THOMSON, in Committee, to move the following amendment:

Clause 9: To insert in line 13 on page 6, after the word "person", the words "(not being the holder of the general ancillary licence)".

To omit from page 6 the proposed subsection (3), and substitute the following proposed subsections:

"(3) Every such permit shall be deemed to be issued subject to compliance with the additional condition that no charge shall be made to any person for liquor supplied under the permit other than a charge, or charges, payable for admission to the gathering.

"(4) Nothing in this section shall be deemed to authorise the holder of the general ancillary licence to sell or supply liquor for consumption pursuant to the permit."

EXPLANATORY NOTE

The first amendment provides that the holder of the general ancillary licence will not be entitled to a permit under the proposed section 218B.

The second amendment removes the requirement, set out in the proposed section 218B (3) (b), to give 24 hours' notice of the gathering to the Police.

It also makes it clear that the holder of the general ancillary licence is not entitled to sell or supply liquor for consumption pursuant to the permit.
