Explanatory note

This Supplementary Order Paper sets out technical and drafting amendments to the Terrorism Suppression Amendment Bill. The Afghanistan Sanctions Resolutions are renamed, more accurately, as the Al-Qaida and the Taliban Sanctions Resolutions. The definition of United Nations listed terrorist entity is also updated, including by the insertion of definitions of Al-Qaida, Al-Qaida entity, the Taliban, and Taliban entity. This updating ensures that the Bill contains the substance of the definition of specified entity in, and so need no longer refer to, the United Nations Sanctions (Afghanistan) Regulations 2001 (which currently are proposed to be similarly updated and replaced). The other amendments make drafting improvements or correct drafting errors (for example, by ensuring section 75 of the principal Act is consequentially repealed, and making consequential amendments to the Charities Act 2005 and Crimes Act 1961).
