## EXPLANATORY NOTE

*This note is not part of the regulations, but is intended to indicate their general effect.*

These regulations, which come into force on 11 November 1999, amend the Accident Insurance (Review Costs and Appeals) Regulations 1999 (the principal regulations).

The amendments are to include in the principal regulations a new definition of “registered specialist”. The new definition is required because of changes, made by the Medical Practitioners (Vocational Registration) Order 1999, to the branches and sub-branches of medicine for which vocational registration may be granted under the Medical Practitioners Act 1995.
