* See end note.

5. Upon being satisfied as aforesaid, the Minister may by like notice declare any additional area of land (whether or not already comprised in a pool area) to be part of any pool area, or may declare any land theretofore included in a pool area to be no longer part thereof, or may declare that any area of land shall no longer be a pool area.

14. The Minister may, by notification as aforesaid, fix the time and place for the first meeting or any special meeting of a Committee.

15. Subject to the foregoing provisions, every Committee may make such arrangements as it thinks fit for the holding of meetings, the procedure thereat, and generally for the conduct of its business and exercise of its functions.

16. In particular a Committee may from time to time appoint and discharge sub-committees consisting of two or more persons, whether members of the Committee or not, and may delegate to a sub-committee any of the powers and functions of the Committee.

17. The functions of a Committee shall be to regulate and control in such manner as it thinks fit the marketing of all bobby calves raised or produced within the pool area for which the Committee is established.

18. Every Committee shall in the exercise of its powers and functions be deemed to be the agent of every producer for the marketing of bobby calves raised or produced within the pool area, and the mutual rights, obligations, and liabilities of the Committee and the several producers shall accordingly be determined in accordance with the law governing the relations between principal and agent.

19. No producer carrying on business within any area of land declared to be a pool area for the purposes of these regulations shall sell, and no person shall purchase, any bobby calf raised or produced in that area except through the agency of the Committee established for that area.

20. Every person who sells or purchases any bobby calf in breach of the provisions of these regulations is guilty of an offence against these regulations.
