19. In addition to the balance sheet required to be lodged by the Committee pursuant to regulation 18 hereof, every Committee shall at the same time deliver at the office of the Board such statistics or other information or statement relating to the operations of the Committee as the Board may from time to time require, and in such form as the Board approves or directs, and certified to be correct by the auditor.

Inspection of Bobby Calves

26. (1) All bobby calves delivered to any abattoir or meat export slaughterhouse pursuant to these regulations shall be inspected by an Inspector in accordance with the provisions of section 47 of the Meat Act 1939.

(2) If on inspection under the said section the Inspector determines with respect to the carcass of any calf that it is not suitable for human consumption, these regulations shall have no further application to it,

and its disposal shall be a matter of arrangement between the Committee or owner, as the case may be, and the controlling authority or licensee of the abattoir or meat export slaughterhouse.

PART III—ESTABLISHMENT AND FUNCTIONS OF SALEYARD COMMITTEES

27. (1) The Minister may, by notice in the *Gazette*, declare that any saleyard shall be a receiving depot for bobby calves.

(2) The producer members to retire in each year shall be those who have been longest in office since their appointment or election, but, as between persons who became members on the same day, those to retire shall be decided by lot.

32. Notwithstanding the provisions of regulation 3 hereof, no saleyard that has been declared under these regulations to be a receiving depot for bobby calves shall be deemed to be included in a pool area and no Pool Committee shall have authority with respect to the sale of bobby calves in any such saleyard.

33. Every Saleyard Committee shall make all necessary arrangements for the delivery of bobby calves from the saleyard to an abattoir or a meat export slaughterhouse for their disposal in accordance with these regulations.

34. Every Saleyard Committee shall hold an annual meeting during the month of March in each year. Every such meeting shall be advertised and shall be open to all persons in the district who, in the opinion of the Committee, are interested in the production of bobby calves.

Any such estimate may be at any time amended by the company; but unless reasonable notice of its amended requirements is given by the company to the Board, the Board may charge the company with the amount of any loss suffered by it by reason of the amended requirements and may recover the amount of any such loss as a debt due by the company to the Board.

(2) For the purpose of this regulation the act of any person in placing any bobby calf at or adjacent to any entrance to his land or premises or other customary place (whether on his own land or premises or not) at which calves are exposed for sale shall be deemed to be an offer to sell that calf.

(3) No person, whether as principal or agent, shall purchase, drive, or convey any bobby calf which appears to be unfit by reason of weakness or immaturity to be driven or conveyed to the place at which it is intended to be slaughtered.
