Dated at Wellington this 10th day of May 1983.

GEORGE F. GAIR,
Minister of Transport.

EXPLANATORY NOTE

This note is not part of the notice, but is intended to indicate its general effect.

This notice exempts various categories of boilers and machinery from sections 10 and 19 of the Boilers, Lifts, and Cranes Act 1950 which relate to the inspection of boilers and machinery.

The only new exemption relates to cylinders with a capacity in excess of 250 litres and used for the transport of permanent or liquid gases.

The other exemptions were previously set out in the notices revoked by clause 4 of this notice, and have been carried forward with changes to express capacities, pressures, and distances in metric terms.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 9 June 1983.

This notice is administered in the Ministry of Transport.
