REGULATIONS

1. These regulations may be cited as the Cinematograph Films
Emergency Regulations 1946.
2. In these regulations, unless the context otherwise requires,—
“Discharged servicemen” has the same meaning as in Part I
of the Rehabilitation Act, 1941 :
“License” means an exhibitor’s license under the Cinematograph
Films Act, 1928, and includes a license to an itinerant
exhibitor :
“Licensing officer” means the officer appointed to receive
applications for and to issue licenses.
3. The licensing officer, in considering applications for licenses
or transfers of licenses, shall have regard to the desirability in the
public interest of re-establishing discharged servicemen in civil life.
4. In any case where the licensing officer is of opinion that the
re-establishment of discharged servicemen in civil life will be facilitated
thereby, he may refuse to grant a new license to a person other than
a discharged serviceman.
5. The licensing officer may refuse to grant a transfer of a license
to any person who is not a discharged serviceman if he is satisfied
that there is a suitable discharged serviceman ready and willing to
purchase as a going concern the business in respect of which the license
is in force.

6. The Director of Rehabilitation, or an officer in the service of the Crown authorized by the Director in that behalf, shall be entitled to make representations and to produce evidence to the licensing officer, or on any investigation deemed necessary by the licensing officer, with respect to the subject-matter of any application made to the licensing officer.

7. Any discharged serviceman desirous of obtaining a license may make representations and produce evidence to the licensing officer, or on any investigation deemed necessary by the licensing officer, with respect to any application made to the licensing officer for the transfer of any license.

Acting Clerk of the Executive Council.
