EXPLANATORY NOTE

This note is not part of the determination, but is intended to indicate its general effect.

This determination, which is deemed to have come into force on 1 April 1990, increases the rate of the annuity payable to a former Governor-General (who was domiciled in New Zealand at the time of appointment) and the rate of the annuity payable to the widow or widower of such a Governor-General.

The rates applying before the date of the commencement of this determination were fixed, as at 1 April 1989, by the Civil List (Annuities) Determination 1989.

In the case of a former Governor-General who held office for a total period of less than 2 complete years, the yearly rate of the annuity is now increased from \$6,780 to \$7,280.

In the case of a former Governor-General who held office for a total period of 2 complete years or more, the sum of \$6,780 payable for each complete year (not exceeding 5) of that total period is now increased to \$7,280.

In the case of the widow or widower of a person who held office as Governor-General, the increases now effected in the rates of annuities are such that the annuity payable in each case continues to be one-half of the annuity that would have been payable to the person who held office as Governor-General.

Issued under the authority of the Acts and Regulations Publication Act 1989, and section 4 (7) of the Civil List Act 1979.
