Explanatory memorandum

This memorandum is not part of the determination, but is intended to indicate its general effect.

This determination is deemed to have come into force on 1 April 2006. It increases the rate of the annuity payable to a former Governor-General and the rate of the annuity payable to the surviving spouse or partner of a former Governor-General.

In the case of a former Governor-General who held office for a total period of less than 2 complete years, the yearly rate of the annuity is increased from \$10,609 to \$11,370, and, in the case of a surviving spouse or partner of that person, from \$5,305 to \$5,690.

In the case of a former Governor-General who held office for a total period of 2 complete years or more, the sum of \$10,609 payable for each complete year (not exceeding 5) is increased to \$11,370, and, in the case of a surviving spouse or partner of that person, from \$5,305 to \$5,690.

This determination expires on 31 March 2007.
