REGULATIONS

1. Title—These regulations may be cited as the Companies (Limitation of Distributions) Regulations 1976.

2. Commencement and expiry—(1) These regulations shall come into force on the 15th day of May 1976.

(2) These regulations shall continue in force until the close of the 14th day of May 1977, and shall then expire.

3. Interpretation—(1) In these regulations, unless the context otherwise requires,—

“Capital”, in relation to a private company, means the share capital of the company and, in relation to any other company, means the issued and allotted capital of the company, irrespective, in both cases, of the amount paid up on any share:

“Company” means a company formed and registered under the Companies Act 1955, or an existing company as defined in that Act:

“Distribution”, in relation to a company, means—

(a) The declaration or payment of a dividend by that company:

(b) Any distribution made by that company to its members which is, or is equivalent to, a return of share capital or constitutes a return to shareholders of premiums paid to the company in respect of the issue of share capital by the company:

(c) Any application by that company of money held in a share premium account or a capital redemption reserve fund in the paying up of unissued shares to be issued to members of the company as fully paid bonus shares:

“Dividend year” means the period of 12 months ending with the 14th day of May:

“Rate of dividend” means the dividend declared or paid on any share in the capital of a company determined as a proportion of the amount paid or credited as paid on that share:

“Share” includes stock.

(2) For the purposes of these regulations and for the avoidance of doubt, it is hereby declared that the distribution by a company of any of its profits (including capital profits and capitalised profits) to all or any of its shareholders as such shall constitute the payment of a dividend by that company irrespective of the means used to effect that distribution and whether or not the distribution involves the issue or allocation of bonus shares or debentures.

4. Administration of regulations—The powers and functions of the Minister under these regulations and any powers or functions which the Minister may exercise under the Act for the purposes of these regulations shall be exercised by the Minister of Finance.

5. Limitation of distributions—Except as provided in regulation 7 of these regulations or with the consent of the Minister, no company shall make any distribution.

6. Granting or refusal of consent—(1) Any consent for the purposes of regulation 5 of these regulations may—

(a) Be granted wholly or partly and either unconditionally or subject to such conditions as the Minister thinks fit:

(b) Be refused.

(2) Any condition subject to which any such consent is granted may from time to time, at any time before any distribution is made pursuant to the consent, be revoked, varied, or added to by the Minister.

7. Excepted dividends—(1) The consent of the Minister shall not be required under regulation 5 of these regulations to the declaration or payment by a company of a dividend in respect of any share forming part of its capital if that dividend, together with any other dividend declared or paid by the company in respect of that share in the dividend year ending with the 14th day of May 1977, does not exceed the greater of—

(a) The rate of dividend paid by the company in respect of that share in the immediately preceding dividend year; or

(b) The rate of dividend obtained by averaging the rates of dividend paid by the company in respect of that share in each of the 3 immediately preceding dividend years; or

(c) A rate of dividend of 5 percent.

(2) In calculating for the purposes of paragraph (a) or paragraph (b) of subclause (1) of this regulation the rate of dividend paid by any company in respect of any share in the immediately preceding dividend year or in each of the 3 immediately preceding dividend years, as the case may require, regard shall not be had to the issue or allocation of bonus shares or debentures by that company in that immediately preceding dividend year or in any of those 3 immediately preceding dividend years respectively.

8. Evasion of regulations—No person shall enter into any transaction or make any contract or arrangement, whether orally or in writing, for the purpose of or having the effect of, in any way, directly or indirectly, defeating, evading, or circumventing the operation of these regulations in any respect.

P. G. MILLEN,
Clerk of the Executive Council.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations limit, until the close of the 14th day of May 1977, the distributions that may be made by companies to their shareholders. It is an offence against section 18 of the Economic Stabilisation Act 1948 to act in contravention of these regulations.

Issued under the authority of the Regulations Act 1936.
