EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations have 2 effects. First, they alter the composition of the Board of Governors of Buller High School. The Governor at present elected by the members of the school committees of Westport North Primary School and Westport South Primary School is in future to be elected by the members of the school committees of those schools and St. Canice's Primary School. And the Governor at present elected by the members of the school committees of Waimangaroa Primary School and Seddonville Primary School is in future to be elected by the members of the school committees of Waimangaroa Primary School and Gracity Primary School. In neither case are Governors at present holding office affected.

Secondly, these regulations revoke those provisions of the principal regulations that specify a particular regime for the election and appointment of the Governors of the schools to which they apply. In future, such elections and appointments are to be in accordance with the general rules specified in the Secondary School Boards Administration and Employment Regulations 1965, and are to occur at the times specified in those regulations.

Issued under the authority of the Regulations Act 1936.
Date of notification in *Gazette*: 22 January 1985.
These regulations are administered in the Department of Education.
