EXPLANATORY NOTE

This note is not part of the order, but is intended to indicate its general effect.

The effect of this order is to reimpose temporary increases in Customs duty on certain woven fabrics containing both man-made discontinuous fibres and sheep's or lambs' wool or fine animal hair. It also reimposes temporary increases in the rates of Customs duties on certain woven fabrics containing man-made discontinuous fibres and weighing more than $5\frac{1}{2}$ ounces per square yard.

The temporary increases were reimposed by the Customs Tariff Amendment Order (No. 13) 1969. That order (as modified by the Customs Tariff Amendment Order (No. 17) 1969) is replaced by this order.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 8 October 1970.

This order is administered in the Customs Department.
