EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations amend the Dangerous Drugs Regulations 1951.

Regulation 2 allows the Director-General of Health to approve places, localities, or vehicles in which ampoule syringes containing dangerous drugs may be kept in first-aid kits.

Regulation 3 names a number of new substances which are declared to be dangerous drugs.

Regulation 4 corrects an omission and adds the salts of Norcodeine (N-demethylated codeine), which are named in regulation 3, to the Schedule of partially exempted substances.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 1 September 1960.

These regulations are administered in the Department of Health.
