EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 2 February 1981, amend the Education (Salaries and Staffing) Regulations 1957.

A staff-pupil ratio of 1:25 is established for full primary schools and contributing schools having rolls that do not exceed 150 pupils.

Provision is made for the appointment of an additional teacher to release a principal from classroom teaching where the principal is on the National Transfer List as a result of the roll of the school having fallen.

Provision is also made for the preservation of the position and grading of the principal of any school with a roll of less than 156 so long as the grading of the position of principal of that school remains the same as for the 1981 school year.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 29 January 1981.

These regulations are administered in the Department of Education.
