**Explanatory note**

*This note is not part of the regulations, but is intended to indicate their general effect.*

These regulations, which come into force on 1 April 2007, amend the items relating to Clothes washing machines and Dishwashers in Schedule 2 of the Energy Efficiency (Energy Using Products) Regulations 2002.

The amendments update the mandatory energy performance labeling requirements for these product classes to incorporate matters in relation to the energy use of standby functions of the products.
