

**THE ELECTRICAL SUPPLY REGULATIONS 1935,  
AMENDMENT NO. 3**

C. L. N. NEWALL, Governor-General.

**ORDER IN COUNCIL.**

At the Government House at Wellington, this 5th day of  
August, 1942.

Present :

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

PURSUANT to the Public Works Act, 1928, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make the following regulations.

**REGULATIONS.**

1. These regulations may be cited as the Electrical Supply Regulations 1935, Amendment No. 3.

2. These regulations shall be read together with and be deemed to form part of the Electrical Supply Regulations 1935\* (hereinafter called the principal regulations).

3. Regulation 51-43 of the principal regulations is amended by inserting therein, after the figures "51-43", the characters "(1)", and by adding thereto the following additional clauses:—

"(2) So long as this clause remains in force it shall be deemed sufficient compliance with clause (1) of this regulation in respect of any installation not situate in a congested area as hereinafter defined a periodical inspection of which should in accordance with the requirements of the said clause (1) have been made prior to the 1st day of April, 1942, if such inspection is made at any time prior to the 1st day of April, 1945.

"(3) So long as this clause remains in force it shall be deemed sufficient compliance with clause (1) of this regulation in respect of any installation not situate in a congested area as hereinafter defined, a periodical inspection of which should in accordance with the requirements of the said clause (1) have been made or should hereafter be made at any time on or after the 1st day of April, 1942, if such inspection is made at any time being not more than eight years after the date of the last inspection made prior to the said 1st day of April, 1942.

Amendments: *Gazette*, 13th February, 1936, Vol. I, page 266.

Statutory Regulations 1938, Serial number 1938/2, page 6.

“(4) For the purposes of clauses (2) and (3) of this regulation the term ‘congested area’ includes—

“(a) Any factory or public or other building or premises regularly or periodically frequented by more than thirty persons :

“(b) Any area no part of which is a congested area by reason of the application of paragraph (a) of this definition and which is bounded by but exclusive of streets, roads, or water frontages or reserves, domains, or similar lands, and in which the number of consumers exceeds such number as would give a rate in excess of twelve to the acre :

“(c) Any area no part of which is a congested area by reason of the application of paragraph (a) of this definition and which lies within a circle having an area of 1 acre or a radius of 39 yards, and in which the number of consumers exceeds twelve :

“Provided that if any building falls partly within the circle the whole of it shall be deemed to be included in the circle.”

C. A. JEFFERY,  
Clerk of the Executive Council.
