Dated at Wellington this 26th day of May 1986.

Minister of Fisheries.

EXPLANATORY NOTE

This note is not part of the notice, but is intended to indicate its general effect.

This notice is made under regulation 5 of the Fisheries (1985-86 Commercial Quotas and Restrictions) Regulations 1986 (S.R. 1986/97) which is authorised by section 89 (1) (g) of the Fisheries Act 1983.

The regulations set a total quota for paua of 1183.380 tonnes which is an increase of 12.380 tonnes over that set under the former regulations. The regulations now divide the quota among various areas, and this notice allocates the quotas to commercial fishermen for taking within those areas.

The 20.905 tonnes of paua quota for the Auckland area is unallocated and is therefore available for competitive fishing.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 29 May 1986.

This notice is administered in the Ministry of Agriculture and Fisheries.
