This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on the day after the date of their notification in the *Gazette*, amend the Fisheries (Challenger Area Commercial Fishing) Regulations 1986.

The purpose of the regulations is to clarify, in the principal regulations, descriptions of the areas known as Queen Charlotte Sound and Pelorus Sound and descriptions of parts of those areas. To that end, references that could have been read as limiting the detailed co-ordinates specified in the various descriptions have been removed.

Issued under the authority of the Acts and Regulations Publication Act 1989.

Date of notification in *Gazette*: 29 October 1993.

These regulations are administered in the Ministry of Agriculture and Fisheries.
