EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 1 April 1997, amend the Fisheries (Auckland and Kermadec Areas Commercial Fishing) Regulations 1986 by removing the provision in regulation 22A (2) relating to the lawfulness of possession on any one day of 1200 kg of scallops in quota management areas 1 and 9. The provision is no longer necessary in light of the system of annual catch entitlements introduced in July 1996, which is based on a seasonal rather than a daily limit on scallop catch.

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 27 February 1997.
These regulations are administered in the Ministry of Fisheries.
