**THE FRESHWATER FISHERIES REGULATIONS 1951,
AMENDMENT NO. 9**

BERNARD FERGUSSON, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 6th day of October 1965

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Fisheries Act 1908, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following regulations.

REGULATIONS

1. (1) These regulations may be cited as the Freshwater Fisheries Regulations 1951, Amendment No. 9, and shall be read together with and deemed part of the Freshwater Fisheries Regulations 1951* (hereinafter referred to as the principal regulations).

(2) Except as provided in regulation 4 of these regulations, these regulations shall come into force on the date of their notification in the *Gazette*.

2. Regulation 11 of the principal regulations (as amended by regulation 3 of the Freshwater Fisheries Regulations 1951, Amendment No. 7) is hereby further amended by adding the following subclauses:

“(9) Notwithstanding anything in subclause (3) of this regulation, a licence issued for a shorter period than a whole season by the South Canterbury Acclimatisation Society, the Waimate Acclimatisation Society, or the Waitaki Acclimatisation Society shall be available in the waters of Lake Benmore.

“(10) Notwithstanding anything in subclause (3) of this regulation, a licence issued for a shorter period than a whole season by the South Canterbury Acclimatisation Society or the Waimate Acclimatisation Society shall be available in respect of the whole of the bed of the Pareora River where that river constitutes part of the boundary between the districts of those societies.”

*S.R. 1951/15 (Reprinted with Amendments Nos. 1 to 8: S.R. 1964/196)

3. Regulation 49 of the principal regulations is hereby amended by revoking paragraph (a), and substituting the following paragraph:

“(a) ‘Artificial fly’ shall be deemed to include any lure of feather, fur, wool, or similar material; but shall not include any lure in the tying of which lead or other weight has been incorporated, unless the hook incorporated in that lure does not exceed 9/16 in. in length (exclusive of the eye) and the gape of the hook does not exceed 7/32 in. and the hook is not larger than size No. 10 (‘reddish’ or ‘old’ scale):”.

4. (1) Regulation 61 of the principal regulations is hereby amended by adding, as subclause (2), the following subclause:

“(2) Every tag used in the marking of living acclimatised fish shall bear the letter or letters set out in the Ninth Schedule to these regulations appropriate to the acclimatisation society marking or authorising the marking of the fish.”

(2) This regulation shall come into force on the 1st day of April 1967.

5. The principal regulations are hereby further amended by adding the Ninth Schedule as set out in the Schedule to these regulations.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

Regulation 2 provides for the inter-availability of short-term licences issued by the societies concerned in the specified waters of adjoining districts.

Regulation 3 amends the definition of "artificial fly" to permit the use of a weight in lures incorporating a hook of small size.

Regulations 4 and 5 provide for tags used in the marking of acclimatised fish to bear symbols identifying the society tagging or authorising the tagging of fish.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 7 October 1965.

These regulations are administered in the Marine Department.
