(vii) During the month of October for acclimatised fish in any high country lake or tarn.

5. The Freshwater Fisheries Regulations (Ashburton) Modification Notice 1960* is hereby revoked.

Dated at Wellington this 8th day of September 1961.

R. G. GERARD, Minister of Marine.

*S.R. 1960/146

EXPLANATORY NOTE

This note is not part of the notice, but is intended to indicate its general effect.

Except as varied by Modification Notices of local application, the Freshwater Fisheries Regulations 1951 provide, *inter alia*, that—

- (a) The *limit bag*, which is the maximum number of acclimatised fish to be taken by one person in one day computed from midnight to midnight, shall be 50;
- (b) The *size limit*, which is the minimum size of fish lawfully takeable, measured from tip of nose to tip of tail, shall be 6 in. for trout and salmon. Undersized fish must be released unharmed and are not reckoned in the limit bag;
- (c) Only artificial or natural fly, insect, worm, crustacea, or fish are lawful lures or baits for acclimatised fish. Shellfish (mollusca) and fish roe are illegal. Not more than two lures or baits may be used. Artificial flies, which include feathered lures, must have only one hook. In waters restricted to fly, no weight or loaded lure is permitted. Any weight must be affixed above any lure or bait, and, with artificial minnow (which includes spoon), at least 15 in. above.
- (d) The duration of the *open season* for acclimatised fish is from 1 October to 30 April.

This notice modifies the provisions of the general regulations in the Ashburton Acclimatisation District by reducing the limit bag to 15, of which not more than 6 may be salmon taken from any waters other than Lake Heron and not more than 12 may be trout, of which trout not more than 6 may be taken in any lake or in any tributary of any lake, increasing the size limit to 14 in. in the case of trout taken in any lake or in any tributary of any lake and 10 in. in other cases, imposing restrictions on lures and methods of fishing in the waters specified in the notice, and excluding from the operation of the open season the waters specified in the notice.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 14 September 1961.

These regulations are administered in the Marine Department.
