### NOTICE

**1. Title, commencement, and application**—(1) This notice may be cited as the Fisheries (Commercial Paua Quotas) Notice 1984.

(2) This notice shall come into force on the day after the date of its notification in the *Gazette*, and shall apply in respect of all paua taken by commercial fishermen during the period commencing on the 1st day of January 1985 and expiring with the 30th day of September 1985.

**2. Interpretation**—(1) In this notice, unless the context otherwise requires,—

“Central Fishery Management Area” means the Central Fishery Management Area described in the Schedule to the notice declaring fishery management areas as published in the *Gazette* on the 27th day of April 1984 at p. 1402:

“Challenger Fishery Management Area” means the Challenger Fishery Management Area described in the Schedule to the notice declaring fishery management areas as published in the *Gazette* on the 27th day of April 1984 at p. 1402:

“Greenweight” means the weight of any paua which is in a whole (in the shell) and unprocessed state:

“Paua landing return” or “landing return form” means a landing return form supplied to every paua quota holder by the Director-General:

“Paua quota zone”, with reference to a specific paua quota zone, means that area described in the First Schedule to this notice as that specific paua quota zone:

“Paua quota holder” means any commercial fisherman to whom a paua quota has been allocated in the Second Schedule to this notice:

“Southern Fishery Management Area” means the Southern Fishery Management Area described in the Schedule to the notice declaring fishery management areas as published in the *Gazette* on the 27th day of April 1984 at p. 1402:

“Week” means a period of 7 consecutive days ending at midnight on Sunday.

(2) Words and expressions in this notice which are defined in the Fisheries Act 1983 or the Fisheries (Commercial Fishing) Regulations 1983\* shall, unless the context otherwise requires, have the meanings so defined.

**3. Allocation of paua quota to specified commercial fishermen—**

(1) There shall be allocated to the commercial fishermen named in the 1st Column of the Second Schedule to this notice so much of the total paua quota prescribed in the Fisheries (Commercial Quotas) Regulations 1984† as appears against their name in the 3rd Column of that Schedule.

(2) Every paua quota holder shall fish for his quota only from the paua quota zone specified for him in the 2nd Column of the Second Schedule of this notice.

(3) Every paua quota holder shall cease fishing for paua immediately his quota is filled.

(4) No paua quota allocated under this notice shall be transferable to any other person.

**4. Closed areas—**No commercial fisherman (whether a paua quota holder or not) shall take any paua from those waters specified in the Third Schedule to this notice.

**5. Prohibition on taking paua—**No person shall take any paua from the Central Fishery Management Area, the Challenger Fishery Management Area, or the Southern Fishery Management Area unless that person is a paua quota holder.

**6. Paua quota holders to furnish landing returns—**(1) Every paua quota holder shall, on every Monday after a week during which his paua quota remains unfilled and on the day after the day his paua quota is filled, complete and forward a paua landing return to the nearest Office of the Ministry or, if a particular office is specified on the landing return form, to that office.

(2) The return required under subclause (1) of this clause is in addition to, and not in substitution for, any other requirement pursuant to the Act to furnish returns or information to the Ministry.
