This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 1 January 1993, delay, until 1 January 1994, the coming into force of regulation 106 (4) of the Food Regulations 1984, Amendment No. 5.

Regulation 106 (4), which was to have come into force on 1 January 1993, amended the second table to regulation 257 of the Food Regulations 1984 by omitting the items relating to ethylene dibromide and any combination of ethylene dibromide and methyl bromide.
