EXPLANATORY NOTE

*This note is not part of the regulations, but is intended to indicate their general effect.*

These regulations, which come into force on 1 April 1994, prescribe the rate of the funding levy payable by employers and the self-employed to meet the costs of the administration of the Health and Safety in Employment Act 1992. The rate is 6 cents per \$100 of earnings (paid by employers or derived by the self-employed).

The funding levy is paid, collected, and remitted, together with basic premium paid under the Accident Rehabilitation and Compensation Insurance Act 1992; and the rate prescribed is the same as the rate at which it is at present paid under transitional arrangements provided for by that Act.
