The order also substitutes new descriptions of the Auckland and South Auckland Health Districts. The new descriptions are required as a result of the amalgamation (from 1 October 1986) of the Boroughs of Mount Wellington and Otahuhu to form a new borough under the name Tamaki. Under the order, the new Borough of Tamaki is included within the Auckland Health District. The order also incorporates in the Christchurch Health District the area previously constituted as the Greymouth Health District.

Issued under the authority of the Regulations Act 1936.
Date of notification in *Gazette*: 26 February 1987.
This order is administered in the Department of Health.
