EXPLANATORY NOTE

[This note is not part of the regulations, but is intended to indicate their general effect.]

These regulations prescribe new scales of salaries for secretarial and clerical officers employed by Hospital Boards. The new rates incorporate the general wage increase previously granted, as well as providing some additional remuneration with effect from 1 January 1955.

As the actual rate of salary applicable to each officer is normally determined by the Secretarial and Clerical Officers' Salaries Grading Committee, special provision is made to convert the rates payable under existing determinations to those payable under the new scales without reference to the Grading Committee.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 4 August 1955.

These regulations are administered in the Department of Health.
