“Provided that if any such honey is supplied to a packer who is also a producer the honey supplied to that producer as aforesaid shall not be taken into account when assessing the number of votes to which that producer is entitled.

EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations alter the basis on which the number of votes a producer is entitled to is calculated. Previously the basis was the amount of honey supplied to the Authority or seals purchased during the preceding period of one year. The basis is now the average of honey supplied or seals purchased during the preceding period of two years.

The regulations also make provision for a producer whose name has been omitted from the roll to vote by declaration.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 4 April 1957.
