EXPLANATORY NOTE

[*This note is not part of the regulations, but is intended to indicate their general effect.*]

Regulation 2 authorizes the attendance in an advisory capacity of any person at a meeting of the Honey Marketing Committee. Previously only departmental officers or producers could attend.

Regulation 3 allows the Minister, by public notice, to extend the period fixed by the Schedule (which relates to the conduct of elections) for the doing of any act.

Regulation 4 limits the number of votes that may be exercised by any person in the election of producers' representatives to twenty. The number of votes that can be exercised is governed by the amount of honey supplied or the value of seals purchased, as the case may be, and the maximum number of votes allowed in either case is twenty. Previously, if a person both supplied honey and purchased seals, he could exercise the total of the number of votes allowed in each case allowing a maximum number of forty.

Issued under the authority of the Regulations Act, 1936.
