Schedule

Description of The Doctors Systems Limited Quality Assurance Activity

1 Objective

The objective of the activity is to improve the practices and competence of health practitioners engaged in the activity by assessing the health services performed by those health practitioners.

2 Method

- (1) The activity is based on information derived from health practitioners who provide health services, on behalf of The Doctors Systems Limited, at 1 or more of the general practices in New Zealand that form part of The Doctors Systems Limited network.
- (2) The activity involves—
 - (a) the examination of patients' records; and
 - (b) the analysis of the following data on patients:
 - (i) admission and discharge; and
 - (ii) morbidity and mortality; and
 - (iii) outcomes of treatment; and
 - (c) the identification and analysis of any process or practice that results in an outcome for patients which may, but need not be, an adverse outcome; and
 - (d) the undertaking of multi-disciplinary case reviews and peer reviews; and
 - (e) the review of—
 - (i) patient management; and
 - (ii) treatment decisions; and
 - (iii) internal auditing of procedures; and
 - (iv) outcomes of treatment; and
 - (f) the making of recommendations on how the health practitioners who are engaging in the activity can improve their performance so as to—
 - (i) improve the quality of care they provide; and
 - (ii) reduce the incidence of adverse outcomes; and
 - (g) the facilitation and monitoring of the implementation of any such recommendations.

Dated at Wellington this 22nd day of May 2005.

Hon Annette King,
Minister of Health.

Explanatory note

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on the day after the date of its notification in the *Gazette*, declares the quality assurance activity called The Doctors Systems Limited Quality Assurance Activity to be a protected quality assurance activity.
