**THE INDUSTRY LICENSING (USED OIL REFINING)
NOTICE 1940.**

PURSUANT to section 14 of the Industrial Efficiency Act, 1936, I, Daniel Giles Sullivan, Minister of Industries and Commerce, hereby give notice as follows :—

1. This notice may be cited as the Industry Licensing (Used Oil Refining) Notice 1940.

2. The industry to which this notice relates (hereinafter called the said industry) is the following :—

The refining of used oil as defined herein for purposes of sale of the refined oil.

3. For the purpose of this notice “ refining of used oil ” means the treatment of used lubricating or transformer oil in any way with the object of its purification for use as a lubricant or in transformers or for other purposes.

4. From such one of the respective dates specified herein as is applicable to the case, the said industry shall be carried on only pursuant to a license issued under Part III of the Industrial Efficiency Act, 1936, and in conformity with the terms and conditions of such license.

5. The dates hereinbefore referred to shall be the following, namely :—

(a) In the case of persons who on the date of notification hereof in the *Gazette* are engaged in the said industry the said date shall be the 22nd day of August, 1940, or such earlier or later date (if any) as may hereafter be specified by a further notice under the said section 14 given before the said 22nd day of August, 1940 :

(b) In all other cases the said date shall be the date of notification hereof in the *Gazette*.

Given under my hand at Wellington, this 7th day of August, 1940.

D. G. SULLIVAN,
Minister of Industries and Commerce.

Issued under the authority of the Regulations Act, 1936.

Date of notification in *Gazette* : 8th day of August, 1940.

These regulations are administered in the Bureau of Industry in the Department of Industries and Commerce, Tourist and Publicity.
