EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations prescribe a new form of Register of Accidents for the purposes of the Industrial Relations Act 1973. The new form is aligned with that prescribed by the First Aid (Factories) Regulations 1966. As so aligned, entries in the Register must contain the following additional details:

- (a) The treatment given to the injured person:
- (b) Whether the injured person is referred to a doctor or hospital:
- (c) The name or initials of the person giving first-aid treatment.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 16 December 1982.

These regulations are administered in the Department of Labour.
