8. (1) Where any of the services prescribed in the Second Schedule hereto have been performed by a vendor who has resold any milk, the vendor shall be entitled to claim, in accordance with this clause, an amount to ensure to him any allowance to which he may be entitled under clause 6 hereof:

Provided that no vendor who has resold any accommodation milk shall, without the prior consent of the Board, be entitled to make any claim under this clause.

(3) The Board may require any vendor to execute an undertaking either to take all his requirements of milk and cream or to take a specified daily quantity of milk from an approved association or organization or from a treatment station, and, unless the requirement is complied with, the Board may reject any claim under this clause by the vendor concerned.

(4) If it appears that the services have been performed and the claim is otherwise in order, the Board may allow the claim and pay to the claimant the amount of his claim:

Provided that where an approved association or organization or a treatment station has agreed in respect of any periods during which this order is in operation to act as the Board's agent for payment of claims made under this clause, any claim allowed by the Board may be paid to the claimant by any such agent:

Provided also that the allowance and payment of any claim as aforesaid shall not debar the Board from reopening that claim if the Board has reason to believe that the claim was incorrect in any particular, and the Board may recover from the claimant, as a debt due to the Board, any amount received by the claimant in excess of that to which he was entitled under this order.

9. (1) For each calendar month every approved association or organization and every treatment station shall keep records in such a form as the Board may require or approve showing in respect of milk to which this order applies—

the amount of the deficiency shall be paid to the treatment station by the Board.

(4) If in any month the total amount paid or payable by vendors, shop dairies, commercial users, or consumers to a treatment station in respect of milk to which this order applies exceeds the town milk producer price increased as provided by subclause (3) hereof, the amount of the excess shall be paid by the treatment station to the Board.

(5) If in any month the total amount paid or payable by shop dairies, commercial users, or consumers to a producer-vendor in respect of milk to which this order applies is not equal to the town milk producer price for the time being increased by the appropriate allowances specified in the First Schedule hereto in respect of services performed by the producer-vendor, the amount of the deficiency shall be paid to the producer-vendor by the Board:

Provided that no payment shall be made by the Board under this subclause to any producer-vendor in respect of any accommodation milk purchased by him.

(6) If in any month the total amount paid or payable by shop dairies, commercial users, or consumers to a producer-vendor in respect of milk to which this order applies exceeds the town milk producer price increased as provided by subclause (5) hereof, the amount of the excess shall be paid by the producer-vendor to the Board.

The main purpose of the order is to make provision, in terms of section 18 of the Milk Amendment Act 1951, for the fixation of prices (other than consumer prices) and allowances for the handling of milk and to set out machinery by which each party in the industry gets his appropriate price or allowance. It provides for the town milk producer price to be fixed by the Minister and for various allowances to be fixed by Order in Council in accordance with recommendations of the New Zealand Milk Board to the Minister. This order replaces a scheme under the Marketing Amendment Act 1937 (present scheme gazetted 22 May 1952).

Issued under the authority of the Regulations Act 1936.
