EXPLANATORY NOTE

This note is not part of the order, but is intended to indicate its general effect.

The Second Schedule to the Medical Practitioners Act 1968 specifies post-graduate qualifications overseas that are recognised in New Zealand for the purpose of conditional registration of medical practitioners.

Clause 2 (a) of this order amends the Second Schedule to refer generally to Fellowships of the Royal Colleges of Physicians and Surgeons of Glasgow and Canada respectively. The amendment follows the present practice of those bodies, and does not in any way prejudice practitioners or prospective applicants for conditional registration.

Clause 2 (b) of this order adds 30 more qualifications to the Second Schedule.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 28 June 1973.

This order is administered in the Department of Health.
