

1955/3

**THE REHABILITATION ELECTRICAL TRAINEES
REGULATIONS 1955**

C. W. M. NORRIE, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington this 25th day of January
1955

Present:

THE HON. W. SULLIVAN PRESIDING IN COUNCIL

PURSUANT to the Rehabilitation Act 1941, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following regulations.

REGULATIONS

1. These regulations may be cited as the Rehabilitation Electrical Trainees Regulations 1955.

2. In these regulations the expression "discharged serviceman" has the same meaning as in Part I of the Rehabilitation Act 1941.

3. For the purposes of the Electricians Act 1952, the term "apprentice" shall be deemed to include and to have always included a discharged serviceman engaged in the electrical wiring trade, or any branch thereof approved by the Electricians Registration Board, under any scheme established by the Rehabilitation Board for the training of discharged servicemen for that trade.

T. J. SHERRARD,
Clerk of the Executive Council.

EXPLANATORY NOTE

[This note is not part of the regulations, but is intended to indicate their general effect.]

These regulations extend the definition of the term "apprentice" in the Electricians Act 1952 so as to include rehabilitation trainees in the electrical wiring trade. This will ensure that all such trainees are regarded as apprentices for the purpose of gaining qualifying experience for registration as electricians or as electrical servicemen, and generally for the purposes of the Electricians Act.

The regulations relate to trainees who are discharged servicemen under Part I of the Rehabilitation Act 1941 (relating to the Second World War).

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 27 January 1955.

These regulations are administered in the Department of Internal Affairs.
