EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations make 2 amendments to the principal regulations.

First they allow the payment of a bursary on a pro rata basis to pupils required to live away from home otherwise than on a full-time basis.

Secondly, they amend the provisions of the principal regulations relating to the termination of bursaries. At present a bursary is terminated when a transport service commences that enables the bursar to attend the nearest State school. In future the commencement of a transport service will terminate the award of a bursary only where it enables the bursar to attend the school at which he is boarding.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 20 September 1979.
