EXPLANATORY NOTE

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations amend the Southern Lakes Fishing Regulations 1971.

Regulation 2 increases the licence fees payable to equate with the fees payable for whole season fishing licences issued throughout the rest of the South Island.

Regulation 3 introduces the concept of noxious fish. The noxious fish provisions which apply in the freshwater fisheries outside the Southern Lakes District (see regulation 19 of S.R. 1980/110) have been repeated in similar terms in these regulations.

Issued under the authority of the Regulations Act 1936.

Date of notification in *Gazette*: 25 September 1980.

These regulations are administered in the Department of Internal Affairs.
