#### EXPLANATORY NOTE

*This note is not part of the regulations, but is intended to indicate their general effect.*

These regulations are made pursuant to the Sale of Liquor Act 1962, and amend the Sale of Liquor Regulations 1963.

Under section 286 (2c) and (2d) of the Sale of Liquor Act 1962 (as amended in 1980) the fee payable by a club for the renewal of its licence varies according to the amount of its liquor purchases during the licensing year. That year runs from 1 July to 30 June.

Regulation 2 requires appropriate statements to be filed so that the renewal fee can be determined. As the application for renewal has to be filed before the expiry of the licensing year, it is necessary for an “estimated” statement to be filed, with subsequent amendment where this is found to be necessary when the actual figures are available. This regulation provides accordingly.

Regulation 3 corrects an error in an earlier amendment. Although applications for wholesale licences are now made to and determined by the Licensing Control Commission, the formal issue of the licences remains with the Licensing Committees.
